

# PRAYER SUPPORT LETTER FOR FRANCIS AND NATHALIE ARJONA

October-December 2019

*"And the Word  
became flesh, and  
dwelt among us....  
full of grace and  
truth."*

(John 1:14)

It is just amazing to think that  
he dwelt among us,  
like any of us,  
identifying himself fully  
with the human condition  
**BEING GOD !**

Many thanks to all those who prayed for our recent deputation **trip to the United States**, and many thanks to all those who hosted us there! God protected and blessed us in all the places we went through, from Washington D.C. to San Diego, passing through 8 states and sleeping in 18 different beds! God is good, and it was a pleasure to share what God lets us do of His work with people and churches that support us, and also with some new people in new places .

We once again felt the hospitality and affection of many people, and felt very privileged to have so many brothers and sisters in the faith who love us, pray for us and support us financially. Some new contributors have already joined in supporting us, and others will do so soon. To all of you, many thanks! Please keep praying so that we may reach the objectives that have been set.

*Arriving back home in mid-November, we hit the ground running with our regular activities once again.*

**At the local level:** preaching, the married couples' supper, preparing our Christmas service, bringing the administration and accounting of the Good Samaritan Association up to date, working on the project to raise funds for a new van for the Center, etc.

**At the national level:** planning the next M4 events, and promoting the Coaching for Christ ministry; as you know, this sports organization from Northern Ireland has been coming to Pozoblanco for the last 5 years to promote “soccer and good values” to

children in various towns of our region. A week ago, the founder Steve Crawford, and Rodney Weir ( Head of development) came to Madrid to share with leaders from other parts of Spain the possibility of promoting these sporting activities in their areas. Let’s pray that this ministry moves forward, and that God raises up people here in Spain to launch it and do our part.

**At the ECM level:** Francis was at the Mission Leadership Meeting in Germany. He also met with possible candidates, and we hosted the Brazilian Director for a few days.

**At the personal level:** Francis celebrated his 60<sup>th</sup> birthday surrounded by family and friends, emotional moments and memories over coffee at home, giving thanks for the blessings that God has given him these 60 years .

It has been quite a hectic and busy month, but we are happy. Our children and grandson are here at home now, to celebrate Christmas. We give thanks for each of them, and take this opportunity to wish you a...
