Who are we?

Andrej and Lydia, and their son, live in the western Alps, in Slovenia. They were married in 2011, and their son Elija was born two years later. They entered into full-time ministry a few months after their wedding. They have a strong desire to pioneer more churches in Slovenia as well as internationally. They are flexible to the leading of

the feet of those
who preach the
gospel of peace,
who bring glad
tidings of good
things!” (Rom.
10,15)

the Holy Spirit, and there is nothing more important to them as to follow the Lord full-heartedly. Andrej invited the Lord into his life through a family member in Canada in 2003. His life turned around drastically and from that moment on he wanted to dedicate his life to spreading the wonderful news of Jesus Christ in his home country and around the world as the Lord leads him. In 2009 he finished Bachelor of Theology at the Master's College and Seminary in Toronto, Canada. Lydia comes from strong Christian family who follows the Lord for generations. She graduated with a degree in Bible education in Serbia.

What do we do?

In the past three years, since Lydia and I stepped into full-time ministry, we have been through the most difficult and the most beautiful times in our life. We thought it would be easier to work as pioneer workers in Slovenia, but we have discovered that it is extremely hard work. Nevertheless, the last three years were also the most beautiful in our lives; through the difficulties we were facing, we learned to trust the Lord despite the circumstances we were facing. A year and a half into our ministry, we had to rethink where we are in God's plan and the Lord confirmed through the prophetic word we are just where He wants us to be. Praise the Lord! We full-heartedly continue following the Lord wherever He is leading us. Now we can say the same thing as the Apostle Paul wrote "...I can do all things through Christ who

strengthens me” (Php. 4:12-13). Through the Lord’s grace, we were able to put on many outreach events, and worship and charitable concerts in the town of Kobarid. In the past three years, we have sowed the seeds of the Gospel to hundreds of peoples’ hearts. We are praying and looking forward for the harvest to come in its time. Please, join us in our prayers!
