Psalm 37:5 "Commit your way to the Lord; trust in him..."

Dear brothers in Christ and partners in the Lord's work,
Thank you for allowing the Lord to use you to care for us and our ministries. We wholeheartedly wish for you that the Lord would bless you in every area of your lives, so that in this new year He would be your strength.

Finis line

You might be wondering about the format of our prayer letter. The reason, Abel is working 'full steam ahead' in order to hand in the first draft of his thesis, given that he will need to defend it this June. We really need prayer as he attempts to manage this work alongside teaching in the seminary and his other responsibilities.

Change of Direction?

As you know, the Lord has brought us back to Cabra. We've not come to take up new ministries, rather we are in transitional, especially with (hopefully) the sale of our house while Abel finishes his Masters. Our question is, "Lord, where would you have us go? It seems that the possibility of returning to Cataluña is opening up. Please Lord, show us clearly will for us.

Family

At the beginning of January we did a 'lightening' trip to visit our children and grandchildren. They are all well,

Thanks to the Lord. We thoroughly enjoyed our short time with the grandkids... and excitedly await Estefanía and Marcos' second baby in April.

Abel's father, Daniel, has a heart valve problem and needs open heart surgery, but because of his age (86) they will not operate. The cardiologists are considering other options.

I (Rafi) have spent years with a fair amount of pain and rigidity in my back which makes movement quite difficult. In these last months I've also had shoulder tendonitis. Public health doesn't cover treatment for this kind of problem, so we've had to look for treatment privately. We are praying that the Lord would provide for us financially so that I can receive adequate treatment for the pain and see an improvement in my quality of life.

Friends, for the moment those are the key things we wanted to share. In closing we want to reiterate our gratitude and wish you the Lord's blessing to each one of you!

- The Lord's leading with regards to the future.
- The Lord's care for Daniel, Abel's father.
- Provision for Rafi to be able to seek adequate treatment.
