## JULY

### THURSDAY 1

#### ECMI: International Board of Trustees

We are meeting this evening via Zoom. Please pray that we may each be inspired by the Holy Spirit to be constructive in our discussions and wise in our decisions for good governance. Give thanks for each trustee, for the different skills and expertise they contribute to the effectiveness of the Board. At this meeting we will be approving the Trustees Annual Report and Accounts for 2020 as we report on the ministry of ECMI over the past year. In spite of a very difficult year due to the impact of Covid-19 we have much to give thanks for; God's financial provision, the growth in new workers and the exciting ministry reflection reports.

*In you, Lord, I have  
taken refuge... Be  
my rock of refuge,  
to which I can  
always go; give the  
command to save  
me, for you are my  
rock and my  
fortress.*

**Psalms 71:1,3**

### FRIDAY 2

#### GREECE: Peter and Anna Crawford in Athens

Please pray for wisdom for us from God, as we work through the possibility of extensive treatment needed for Peter's freshly diagnosed melanoma. It takes us by surprise at a time when fresh ministry opportunities have been opening up in amazing ways, and also as we hope to welcome the Macinnes family from the UK to join us in Greece later this summer. We know that God's plans are always higher than ours. He sees the bigger picture, but we cannot help but feel more than a little puzzled that this should come right now.

### SATURDAY 3

#### ECMI: Biennial Planning Team

Please pray for the Biennial planning team as we think about how to keep everyone safe at the conference in this time of Covid and as we work with the hotel and others on the practical arrangements for our meetings and accommodation. With our strong desire to meet together again, we also want to make sure that we enjoy each other's company in a safe way. May God continue to bring healing and protection to our nations so that we can do that.

## **SUNDAY 4**

### **ECMI: Mobilisation Teams**

The Mobilisation Teams are encouraged that there are still enquiries from people wanting to do short term placements in different ministries. ECM members across Europe are also keen to receive help from such folk and at the same time invest in their lives. Covid restrictions, Brexit and other issues however sometimes complicate plans so please pray for wisdom, perseverance and the smooth running of visa applications, paperwork and logistics to get these people with passion and skills into the right places, particularly for this summer and autumn.

---

## **MONDAY 5**

### **ITALY: Richard and Pinuccia Wilson in Trento**

Today July 5 we plan to move to our new house at Rovereto, with new ministries as well. We are thankful that the process of selling and buying has gone well so far, with everything working out just right for us. Pray that there would be no last minute problems. Pray also as we settle into a new church, that we can find ways of helping the church to grow and serve God without creating dependency on us missionaries.

---

## **TUESDAY 6**

### **AUSTRALIA: Sam Boog, ECM Media and Promotions officer**

We would love prayer for an ECM podcast idea, that the Lord would bless the planning and preparation phase and that it would get off the ground. Please pray the Lord would use it to convince many of the needs in Europe.

---

## **WEDNESDAY 7**

### **SPAIN: Abel and Rafi Nuno in Cabra**

The Lord has answered our prayers and OUR HOUSE HAS BEEN SOLD! So now we are able to move to our new location, Vilafranca del Penedés, in Barcelona.

---

## **THURSDAY 8**

### **SPAIN: Hans and Jennifer Anderson in Málaga**

We are grateful for the many new volunteers who will help the ministry centre in Málaga to stay open while many are away on home assignments. We are praying in particular for B and F who have been asking questions about Jesus and taking literature from our table. Our son, Jack, has finished his IGCSE exams and will go on to A-levels in the fall. Please pray with us as we travel to the US to visit supporters and family. Pray for good health, safe travel (lots of driving!), and great meetings. Pray that those working at Diez42 over June and July would find the work easy and stress-free as they distribute food, give classes, pray and share the Gospel in the neighbourhood.

## **FRIDAY 9**

### **FRANCE: Marc and Jody Van Eijden in Tours**

My unbelieving friend has a good friend who just became a believer! This person's bubbling over sharing her newfound faith. The two of them come originally from the same country and speak the same mother tongue. Pray God will use this person's influence for good in my friend's life. You've been praying for her and now God has sent one more person to be a witness!

---

## **SATURDAY 10**

### **ITALY: Susanne Stoehr in Macherio**

Praise the Lord: After 24 years, God has very quickly opened an opportunity to live in a different apartment. This is on the 4th floor I will have plenty of light which I have missed so much in my current apartment. Pray for the restructuring of the new apartment and for the selling of my apartment. Pray for Emanuela, whose family is giving her a lot of opposition since she decided to follow Jesus.

## **SUNDAY 11**

### **GERMANY: Martin and Anya Teubert in Ribnitz-Damgarten**

We are very happy to have the opportunity to meet with our kids group once before summer break. There are still some restrictions, but we are glad for everything that is allowed. During summer break Martin plans to meet with some boys and do some woodwork in order to get to know them and to connect to them. The plan is to start a Boys-scout-group very soon. Unfortunately there is no woman who is able and willing to join him and help so he can only start with a small Group of boys for the moment.

## **WEDNESDAY 14**

### **REPUBLIC OF IRELAND: Colin and Ally Holmes in Ferrybank**

We give thanks for a number of different nationwide gospel partnerships

which have formed or strengthened over the past year. Please pray for “What’s the Story?” which is an evangelistic campaign over 6 weeks in Spring 2022. It is based on research on people’s questions in Ireland and seeks to connect seekers to local churches. There are streams of testimony, gospel and apologetics. Pray especially for Isabel, from Ferrybank church, who is part of the organizing team.

---

#### **THURSDAY 15**

Please pray that we would grow in patience, understanding, compassion and wisdom as we seek to serve and encourage others around us.

---

#### **MONDAY 19**

##### **ECM NEW ZEALAND: Féy Cotter, Mobiliser and International Support**

I have been working with Bishopdale College to create the opportunity for students studying at the College to do an ECM missions’ internship. My prayer is for three interns in 2022, but this feels very ambitious and also daunting! So please pray for the right students to hear about the internship and to apply, and for the details of placements to come together in both NZ and Europe.

## **TUESDAY 20**

### **IRELAND: Colin Holmes for the Irish team**

Join us giving thanks for Karen Laird as she says farewell to Ireland after 16 years. She has helped build up churches in Tramore, Ferrybank and Waterford across this time, with a particular passion for children's work. She has also worked in the wider community as an Occupational Therapist. She hopes to return to Australia today, 20 July. Please pray for safe travels and journey on to what God may have in store for her next.

They also have an opportunity to serve the kids ministry with our English Bible school week with 50 children signed up. Please pray for all three ministries, for the leaders and for the participants, that they might all learn and experience more of God this summer.

---

## **FRIDAY 23**

### **SPAIN: Edgar and Jane Álvarez in Madrid**

---

## **SATURDAY 24**

### **PORTUGAL: Alex Kowalenko in Lisbon**

Pray for the new candidates for Portugal: we have 5 new families/couple/individual due to arrive in the next 9 months. Pray for their documentation and entry process as it is more difficult than usual to enter the country due to Covid. Pray for my church as we restart meeting together. Pray for wisdom in leading in the mission as many are restarting activities for summer, not knowing if they would have to be shutdown if there is another confinement. Pray for the roll out of the vaccination program. It seems so slow, but people are starting to be called up for their first shot.

Pray for the ability to persevere and not be weary in well doing. Pray for confidence to step out in trust in the goodness of God.

---

#### **WEDNESDAY 28**

##### **AUSTRIA: David and Linda James in Villach**

Supporting our parents is challenging. Linda's dad in Spain often puts her under emotional pressure to allow him to leave the care home and live in his own apartment (where he would be a danger to himself and others). Please pray about this and that the process to have him declared mentally incapacitated would be concluded quickly. Please pray for David's mum also in a care home, and his dad as he moves into a warden assisted flat: a new phase of life for them both.

#### **ECMI: Field Ministries Development Group**

Each year the ECM Ministry Development Group sends out Ministry Plan forms to all ECM teams and field members. The aim of this form is to provide a tool for us to reflect back on the challenges and highlights of the previous year, as well as to look forward and plan for the year to come. Please, pray for all summer activities for kids, teens, and young adults the New Hope Ukraine workers are involved in so that God will be proclaimed and many of them will come to know Him personally! ### **SPAIN: Honor Perfect, retired Missionary in Castellón**

Just over 3 months after my hip operation, recovering well, I tripped over a bollard at the police station and broke my tibia. I was 10 days in hospital during which time I had 3 different companions, each of whom asked for my telephone number – most unusual here! In these past 3 months since the operation, I have been in contact several times with all 3. I didn't much like the method the Lord used, to give me these contacts, but I believe it was His plan. Please pray for Fabiola, Elena and Mari José.

Also: this summer I'll be on the road a lot, as I need to be out of my temporary lodging (a holiday house, where the owners will spend the summer). I'll use the time to speak at churches and meet supporters in West, Central, Southeast Finland. Pray for safety.
