# IN THE WAY

*A prayer walk through The Forgotten Path*

*Aldana family in Basque Country*

## HIS LIFE

During the Holy Week, seven performances of the musical "His Life" were held at the Bilbao theater. The life of Jesus from his birth to his resurrection. In the photo J. Webb and in the center Luis and his wife Yosune who agreed to the musical in addition to other friends. Please pray for them.

## JUANMA

Juanma is a young man we have met in the church of Las Arenas, in Bilbao. Juanma came to our town on Easter Friday and accompanied us to distribute the brochure "Why Jesus?" Your help was great and very helpful. Please pray for Juanma to continue growing in the Lord.

## THE BOOK FAIR

Last weekend we had a stand with Bibles and other books in the Encartada Fair of the book. We had the opportunity to give testimony to some people, including Marian. She subsequently met last Tuesday to chat with Carolina and Karina at the English club. May the Lord touch your heart.

## THOUSANDS CELEBRATE THE TRADITION

In Balmaseda, a town in the region, The Living Passion is celebrated in a very professional and traditional way. The representation attracts thousands of people to see and remember the suffering of our Lord and Savior. It has been an excellent occasion to talk about Jesus and distribute the booklet Why Jesus? Sadly we have experienced rejection by many people, who although they have been interested in the representation did not want to receive the booklet about Jesus that we offered them. Still, we pray to God to fulfill His perfect will in them.

## IN THE WAY

*A prayer walk through The Forgotten Path*

When we think of The Forgotten Path, the passage in Jeremiah 6:16 comes to mind: "Stand in the ways and see, And ask for the old paths, where the good way is, And walk in it; Then you will find rest for your souls." Although clear The Forgotten Path in this region refers to the route of the Camino de Santiago that goes through the mountains, the concept is similar, a route that has been left and nobody wants to continue transiting it.

Together with the brothers of the church of Las Arenas we have made a prayer walk on that path, begging the Father to allow us to lead the people of the region to Jesus, the only way to the true God.

*Ask for the old path... and walk in it.  
Jer. 6:16*

## SUNDAY ENCOUNTERS

For the second time we have celebrated our Sunday Encounter in Encartaciones. For us it is extremely significant and special to have a small light of God here, because we have come to this region that has been full of darkness and spiritual chains for centuries.

It fills us with joy to know that in this time the Lord has seen this region with love and mercy and has brought His light to this place. We also feel very grateful to you for every prayer, every mail, every call, every message, for financial support, so that we can live here fulfilling the mission together with you from a distance.

It is a great responsibility and a great privilege to be ambassadors of the Lord, the workers of the Lord's here, but also the representatives of His church. The Lord is glorified in His united people.

May He add to His church those who will be saved in Basque Country.

## DOUBLE PARTY

Last week we were blessed to have a missionary "chapina" (a girl from Guatemala) in our home. Jasmin Merida came to share a time with us. So we celebrate her birthday and also the birthday of our son Lucas. It has been a week of great gratitude and joy at home. We pray that the Lord will continue to guide and protect our sister and give her and Lucas many more years of life.
