

“Missionaries of the Ball” in Croatia, Hungary and Ukraine May 18th – 28th 2018

Dear brothers and sisters in Christ, we have great news of what our wonderful God did in the month of May in Croatia, Hungary and Ukraine, He certainly does much more than we ask or think.

From the 17th to the 28th of May we received a visit from the Brazilian “Missionaries of the Ball” enabling 10 days of many evangelistic activities using football and God was glorified through their lives and wherever they passed left a trail of joy and hope.

From 17 to 22 we were in Croatia where they played against key personages of the city of Dugo Selo and against the veterans of the city club, also playing against the teams of the city of Čakovec, Rijeka and Varaždin. We use the matches as bait so we can witness and preach the gospel. People were touched by the love of God and everyone who participated in the events here in Croatia wants their return. From the 23rd to the 26th we were in Hungary where we played 3 matches and we were in 3 schools where they gave their testimonies and preached the word of God and for the glory of our God around 85 people were converted. On the 27th we were in Ukraine and it was fantastic and some 15 people accepted Jesus. God bless you.
