## Forjan's update

*Dear friends!*

### The first baptism

Praise God for Ajda, 18 years old girl who gave her life to Jesus. She was baptized last week and Sebastian had an honor of baptizing her. It was the first baptism in our new church plant and we pray to God for many more saved souls, his movement in our community and transformed lives. I had some interesting and significant conversations with her family and friends afterwards who are not believers. Pray for them as well that what they have experienced would not be forgotten but that God would use what they've seen and heard for his glory.

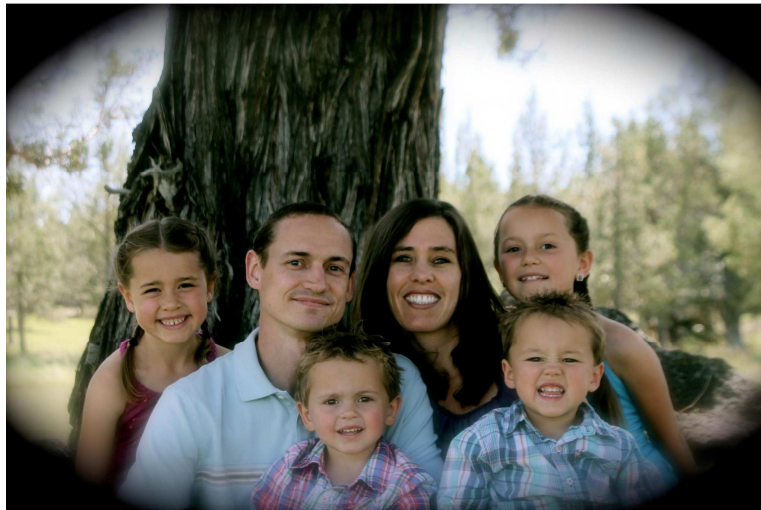

### HELP IS ON THE WAY ... family WICK is getting ready to move to RADOVLJICA

Praise God for answering our prayers to get more workers in our field. A family of six from USA (Portland, Oregon) will join us in July. Their visas have been approved and they shall be on their way to Radovljica in two weeks. Pray for the family, for their adjustment to new life here and their place in ministry. They will live next-door to us.

Meet the Wick family: Chris & Ashley with their children: Talia, Mikaela, Braden & Karsten. The twin boys will be great playmates to Patrik and Samuel.

## **SUMMER CAMPS STARTING NOW ... first camp begins on the 24th JUNE**

Praise God for the fifth year of youth camps in our town Radovljica. This year we are training Slovene helpers to take more responsibilities and they are so excited for camp. We were praying and fast in May for camp and for people to sign up. Guess how many have signed up!?! Even more than 30. We got 35 people and we are full. WE cannot accept more because of the team and structure. Wow, the Lord gave us more what we were asking for. Pray for the team from USA (Spokane) who will help us with the camp and our Slovenian helpers. Pray for the gospel to be clearly spoken and accepted.

**Thank you again for thinking of us and committing our lives and work to the Lord!**

**Grateful,  
Sebastian & Gloria Forjan**
