

"God, I've heard what our ancestors say about you, and I'm stopped in my tracks, down on my knees. Do among us what you did among them. Work among us as you worked among them. And as you bring judgment, as you surely must, remember mercy." Habakkuk 3:2

*Dear brothers, sisters & friends:*

*Time does pass very quickly and soon spring will be around us!*

*The church has already begun preparations for the summer evangelistic campaign.*

*We have young people from 5 churches who work together in evangelism and also a group from Ireland will join us. This year's theme will be a modern adaption of the "Prodigal Son".*

*Please pray that this year again, many people can hear the Gospel clearly and His Word takes much fruit, through all the efforts/ideas being done and put into practice!*

*From a personal side, I have been experiencing a long-weariness that has forced me to virtually leave all of my church's responsibilities.*

*In view of this, the mission's leadership has suggested that I take a good rest in the coming months in a neutral-friendly place. Some friends have offered me hospitality in their house for this time, therefore please join me in thanking God for them and please pray that I may recover well and continue with refreshed energy, vision and encouragement! Thank you!*

*God willing, I will return in time to assist/help in the campaign and then I will have to invest more time raising funds for my Social Security payments.*

*So, please pray especially that the restoration time is well spent and that God opens up doors for me to raise more support to continue.*

*In Him,*

**Noemi Valero**
