

For we are his workmanship, created in Christ Jesus unto good works, which God has before ordained that we should walk in them. Eph: 2.10

A few days ago, as I was meditating on one of the lessons that I'm teaching on Sanity based on John Baker's book, *Life's Healing Choices*, I came up to realize just how much our own self evaluation drives us to bad self esteem. What is my worth after all? Who Am I? What do I think of myself? Very often we rather identify ourselves with our own defects and forget that our real identity is in Christ and we let those past wounds, old character traits, or bad habits define our identity. Our identity is in Jesus! I am a child of God therefore I am what Jesus says that I am and not what I think of myself.

We love him because he loved us first. (IJohn 4.16-19), (ICor.6.20) We have been bought with a price so it is from God's love where I can take all my worth and this is my only identity. What do you think is your worth? We are much used to measure our own value through the things we have achieved when it is really about who we are. We must not let the world's mentality in us; we must not let the eagerness of this world make us forget who we really are and the purpose for which we were created.

Thankful....

- For the 14 baptisms we had in March, they all keep coming to church and growing in faith.
- For the "Payer School" we had recently with the assistance of 117 children and 107 adults. We had two sisters from Atlanta teaching about prayer and the church has been challenged to see a revival through children's prayer. Praise the Lord!

Prayer Points:

1. Ten believers who are taking the Healing teachings. May God heal their wounds and find victory in Jesus!
2. 7 believers who want to baptize in June, so they can keep growing in faith.
3. 4 believers who have started discipleship program, so they can keep growing and get baptized.
4. My health, I've been diagnosed with hypothyroidism and calcification of my shoulder sinew, this puts a limit on all things I would like to do. I pray for healing and strength.
5. My Father has to go through surgery to have removed a benign knee tumor.

My complete gratitude to each and every one of you for your financial support, may God prosper all you do.

Thank you for your support and prayers

In the service of the Master,

Isabel Brandon
